Product name : Jupiler 0,0% 0° - PACK 6 X 25CL

Summary

Jupiler 0,0% 0° - PACK 6 X 25CL - delivery worldwide - is a product from [AB-Inbev](#). Jupiler is a true benchmark in the world of Belgian beer. Particularly popular in its homeland, it is now tackling the low-alcohol market with Jupiler 0.0%, but without compromising on the unique and refreshing taste of a real beer.

It's fermented before being dealcoholised. The beer pours a pale yellow colour beneath a white head and has a bouquet that mixes malt, hops and yeast.
